PUTTING THE SEX IN ESSEX, EVERY WEEK

Amy Childs in her undies!

Well, they're not hers actually - they're Caprice's!

ON THE TELLY!

We're getting happily used to seeing the lovely front bits of *The Only Way Is Essex* stars Sam Falers and Maria Fowler, but no matter how many episodes of the hit show we Sky+ and fast-forward through, resident vajazzle expert and table tennis hustler Amy Childs has remained vexingly buttoned up.

Until the lovely model Caprice got a sewing machine, stitched together a range of saucy frillies and asked Amy to climb into them for advertising purposes. Amy obliged. We got the snaps. And it's a very happy Valentine's Day for everyone! Apart from the actual Saint Valentine that is, who was beaten with clubs and stoned, then beheaded - one for you fact fans there!

The full range of By Caprice Lingerie is available from very.co.uk and littlewoods.com

WHAT A BODY!

WORDS: RORY BUCKERIDGE PHOTOS: PLANETPHOTOS.CO.UK
AMY CHILDS IS THE NEW FACE FOR THE SPRING/SUMMER COLLECTION OF "BY CAPRICE LINGERIE"

HE'S CRAZY!

High there!

**Man walks wire
– two miles up.
Man certifiable!**

This chap – pole in hand, wrapped up warm, and getting buzzed by a helicopter – is Swiss gentleman Freddy Nock. And he had a dream to perform the world's highest high wire walk. Luckily, he didn't have to travel far, as he took a ramble down the Corvatsch cable car wire in Silvaplana, Switzerland. Starting at 3,303m above sea level, he ambled around 1,600m along the wire from the upper station to the base station. Then realised he'd left his wallet at the top and walked back. Kidding!

225mph Brit supercar!

Meet the brilliant new Noble M600

- No ABS, no airbags and lighter than a Ford Focus, Noble's M600 is the race car with a road tax disc. And boasting 650bhp, this means 0-62mph in three seconds and 0-120mph in 8.9secs.
- The prototype was unveiled in 2009 and now the production version of British supercar-maker Noble's latest jewel has rolled out from their factory.

PLUSH!

Skoda had significantly upped their game

- In order to break 200mph, you need decent stability and a hearty dose of power. The latter comes from a mid-mounted V8 engine.
- It's had a pair of turbos added and the backside tuned off it by superbike gods Yamaha to give it 650bhp.
- With a space-frame chassis, stainless steel tub and full carbon-fibre bodywork, it weighs less than 1,200kg.
- Compared to the Veyron's hardly tatty 521bhp-per-tonne power-to-weight ratio, the M600 packs 550bhp/tonne.
- You can even choose the level of punishment on the 335/30/20 rear tyres, as the Noble features a three-stage turbo-boost function.
- It has traction control which is tweaked by lifting a lid on a fighter plane missile switch.
- Fussy is something it isn't on the inside. There may be plush carpets, but the M600 is still as raw as fresh steak.
- The £200k price tag is fruity but Noble claims its inspiration for the M600 was the Ferrari F40 and McLaren F1!

Volcano goes mental!

Eruption adds lightning, for effect

Volcanoes are the big dogs of natural phenomena. With their huge eruptions and rivers of molten rock, subtle isn't a word you'd use to describe them. But we're calling out Mt Shinmoedake in Japan as a volcanic show-off, as it decided to add lightning to its repertoire.

One of our cleverer staff tried to explain this phenomenon to us, but we just repeated, "Ooh! Lightning!" until he slunk away to fix the printer.

"I warned you to stop
rubbing that balloon
on your jumper!"

IT'S ELECTRIC!

Adriana Lima

Victoria's Secret shoot

We know models don't eat much, but Adriana must've been peckish to eat the props! Maybe it's a new, faddy diet – the Roses diet. We tried that at Christmas. It didn't work.

Sofia Vergara

In *Dirty Sexy Money*

Annoyingly, the *Modern Family* star gets little excuse to cavort in basques and suspenders for her role. So we had to trawl the archives for this beauty. You're welcome!

We premiered this saucy scene in last week's Rude News but upon revisiting the clip, we spotted a nip slip. Right here. A good, ahem, "judge-ment", you'll agree!

Advertising Armani jeans

We know what you're thinking – are those jeans boot cut, or straight leg? And what wash are they? Honestly, that Megan always leaves us with more questions than answers!

10 reasons why we'll miss The Nev!

Farewell to footy's grumpiest player!

Man United's legendary Class of '92 has seen the retirement of another student – Mr Friendly himself, Gary Neville! In his 19 years marauding up and down United's right flank, The Neviller has not only been a world-class defender, but also a world-class loon! Here are our favourite Neville memories.

1 HIS DAD!

Gary's old man is actually called Neville Neville, which led to the classic United chant, to the tune of David Bowie's *Rebel Rebel*: "Neville, Neville, you play in defence/Neville, Neville, your play is immense/Neville, Neville, like Jacko you're bad/Neville Neville is the name of your dad!"

2 GOING ON STRIKE!

Following Rio Ferdinand's ban for missing a drugs test, Nev called the England team out on strike, refusing to play against Turkey in 2003. Luckily, Rio talked him round and the game went ahead!

"These Bags For Life are rubbish!"

"Why am I never in Footballers' Cars?"

3 DRIVING A PRIUS!

While most United players were content to drive shiny supercars, in 2009, eco-friendly Nev could be found making his stately progress in an £18,000 Japanese hybrid. Good lad!

4 TELLYTUBBY HOUSE!

Neville also wanted his house to be good for the environment, so he designed a mad, zero-carbon underground bunker to live in!

5 SMOOCHING SCHOLES!

There's man-love, there's overdoing a celebration, then there's this! When Scholesy rattled in a winner against Man City, Nev went just a little too far in showing his appreciation!

6 RILING TEAM-MATES!

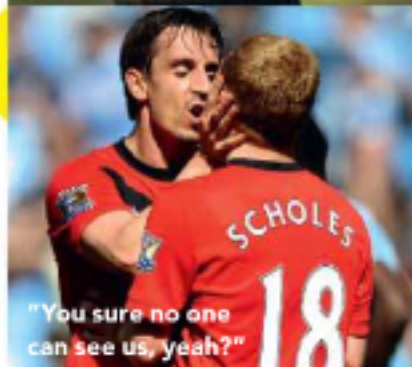

Ex-United defender Jaap Stam said in his biography that the Neville brothers were known as "busy c**ts" because they were always whingeing!

7 BEING A CHEF!

Nev was so obsessed with everything being perfect on and off the field that he even regularly tested the food at the training ground, storming into the kitchens to have a word with the chef if the pasta was too oily!

"Seriously, I really need the toilet!"

"You sure no one can see us, yeah?"

8 NEVER SCORING FOR ENGLAND!

Nev holds the record for the longest time playing for England without scoring. Even Heskey has a better record!

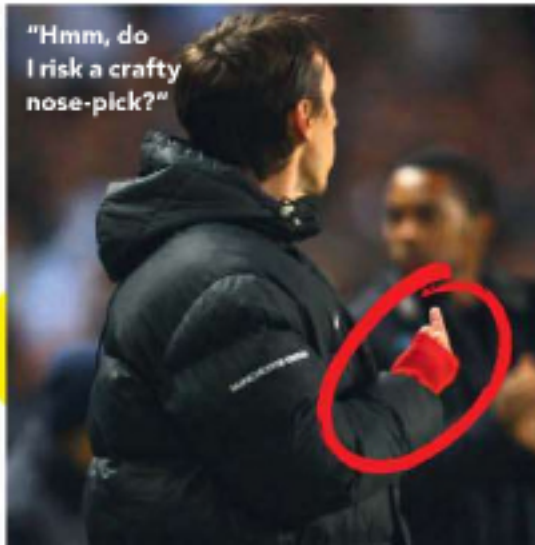

9 INSULTING TEVEZ!

Carlos Tevez wasn't too popular after he moved to Man City, and Gary did what millions of United fans wanted to – slyly showed Tevez the finger!

10 SCOUSE BAITING!

The FA failed to see the funny side in 2006 when Gary ran the length of the pitch to celebrate a Rio Ferdinand winner against Liverpool in front of their fans. Nev was fined £5,000 and two Scouse builders later got their revenge by burying a Liverpool scarf under his new pool!

"Hmm, do I risk a crafty nose-pick?"

Nuts EXCLUSIVE!

Duke Nukem Forever: first look!

The weapon-laden wise-cracker finally returns to kick alien ass!

This may well be called "Duke Nukem Forever" because it's been in development for, well, ever! The year coders started working on this game – 1997 – was when the first *Gran Turismo* hit the PlayStation. So after just 14 years of hard graft, you'd imagine Duke Nukem must be utterly brilliant? Hell, yes.

So taking charge of the wise-cracking, gun-toting, flat-top and vest combo-sporting, alien ass-kicking Duke is proper fun, as he caps alien invaders, then services his "girlfriends" – twins, no less!

Along the way, you'll face-off against the game's trademark baddie pig cops, octabrain and house-sized bosses. If there's a more "Nuts" game this year, we're yet to see it. And if there's a funnier one, we want to see it! Hold tight, it's on next-gen games consoles come 6 May.

MEET THE DUKE!

This is Duke Nukem, international kicker of alien ass, quipster extraordinaire and a man who makes Richard Keys and Andy Gray look like apologetic feminists!

"I'm here to adopt the kitten!"

"Er, yeah I'm busy on Valentine's Day. I'll call you later!"

OCTABRAINS!

One recurring baddie is the hovering Octabrain – a floating brain with tentacles and teeth – who uses advance psychic powers as a weapon. Time to pull out the big guns!

"Well, I didn't know the dishwasher could transform!"

RETRO BOSSES!

In the intro sequence, you re-fight the boss of the end of *Duke Nukem 3D*, only in shiny, modern-day effects. This is, of course, an excuse for ladling on gags about *Forever's* lateness!

It's a proper rude game!

Just take a look at this stuff!

Lap dancers!

Willy gags!

Poo throwing!

More lap dancers!

Interactive weeing!

"Hello, sir, ever had an accident that wasn't your fa... Jesus!"

KILLING TIME!

Duke's all about the guns. Here, he's packing a powerful shotgun, but also expect shrink rays, railguns, the rocket-launching Devastator and more!

Jordan had her pick of suitors

GRAPHICS!

This has been spat on and polished by Gearbox, who are the chaps who make *Brothers In Arms* and *Borderland*, so it looks pin-sharp and sweet.

Sky Sports hoped the new presenters would put an end to the sexism debate

THE LADIES!

Duke's girlfriends are a couple of cheerleaders called "The Wholesome Twins", first seen emerging from between our man's legs. They kick the game off by getting abducted by aliens. Like you do!

See the game trailer now at www.nuts.co.uk/news

A QUICK WORD WITH...

Al Murray

The Guv'nor on lady landlords, French crisps and Wills and Kate!

Hi Guv'nor! You're doing your bit for Comic Relief by launching "Steak and Al pie" crisps. What does "Al" taste like then? Well, Al tastes, as you might expect, not entirely unlike ale. They're easily the nicest crisps of all the Walker's Clash of the Comics crisps. Frank Roast Dinner? What's that? No one knows. **What are acceptable man crisp flavours?** Anything meat-based is good. Spicy stuff's also acceptable. Crisps that give you a thirst are always a good thing. **What's better, beer-flavoured crisps or crisp-flavoured beer?** There's a thought! Actually, beer and crisps are like yin and yang, or Morecambe and Wise – you can't have one without the other!

'Andy Gray could work in a pub!'

What crisp flavour would the French invent? Chocolate croissant flavour! Or something involving animals that nobody normal or not trapped in a besieged city would eat. Urgh! **Can women landlords do as good a job as male landlords?** With lots of training, there's no reason a woman can't run a pub as well as a man. I have to say this, the microphone's still on. **Speaking of which, Andy Gray and Richard Keys are looking for a job. Could you find space for them in your pub?** Gray and Keys are damaged goods, let's make that clear. But everyone deserves a second chance, and I reckon Andy Gray could work

wonders with his electric pen on the touch-screen till. **If Gary Lineker stole your crisps, would he be barred?** Lineker would be barred for just looking at my crisps, yes. He's got crisps up to his ears, so he can keep his paws off of mine! **What's your favourite "Man walks into a bar" joke?** The all-time classic is the joke that ends with "Mixing-me-toasties". If only I could remember the rest of the joke! **Naughty Italian President Silvio Berlusconi.** Discuss. He's making up for the antiseptic-drenched politicians in the world. And the best thing is he's running Italy, so it's not as though he can ruin anything, is it? **Our current PM's initiated a load of cuts. What should people do to cheer up?** Get down the pub! Better than that, get yourself to a pub quiz, then when your college ends up closed, you can carry on learning! **Thanks, Guv'nor! Finally, what plans have you got for the Royal Wedding?** Lock-in for 48 hours straight! And we'll leave a pint and a wine on the bar in case the happy couple decide to drop in for a celebratory drink!

Help the Pub Landlord win the Red Nose Day Walkers Clash of the Comics with his "Steak and Al Pie" crisps. For more info, go to www.walkers.co.uk

Fresh chuckles from the boys' ace alien comedy *Paul*!

Simon Pegg and Nick Frost famously lampooned zombie flicks and cop thrillers with *Shaun Of The Dead* and *Hot Fuzz*, and the comedy duo are back doing what they do best in *Paul*, a cheeky sci-fi gag-fest from the director of *Superbad*.

Graeme (Pegg) and Clive (Frost) are on a tour of the USA's most famous UFO hotspots, and end up on the run from the men in black with a potty-mouthed little green man (voiced by Seth Rogen) and *Saturday Night Live* funny woman Kristen Wiig. Get thee to a multiplex!

Paul is in cinemas everywhere from 14 February

Pegg: I forgot my toothbrush.

Pegg: Are you gonna anally probe us?
Alien: Why assume that? Am I measuring farts? How much am I gonna learn from your ass?
Pegg: When you kissed me, it was like, "Get off me, you rapist!"

Alien: Yo, f**knuts!

GOES NUTS!

Warning: highly likely to cause offence!

"Anyone else think Charlie Sheen's just having a good time?"

Sex ma-Sheen

Charlie Sheen's back in rehab again due to his drug-taking and enjoyment of porn stars. Does anybody else think that Charlie's just having a really good time and doesn't have a problem at all? If I was earning over a million per episode, I wouldn't just sleep with porn stars – I'd be sending them to college or having them re-enact TV plays in the corner of the room for me! He's single, he lives in Hollywood, where all the porn stars live, he earns millions – it's just simple maths! He's 45 now, he's not going to be able to have this libido forever. Mind you, I hear he got a hernia from having so much sex – I got one of those from having to move my own stuff into my new flat. So who's better off there?

The big British boob job boom

Boob jobs are at an all-time high in Britain – 9,430 of them, up ten per cent from 2009. That means unemployment's rising at the same pace as breast enhancement – is that because strippers don't declare their work? I like breast surgery – not every woman's going to be Lucy Pinder with perfect breasts. I find it bizarre when you read an article in a woman's magazine that'll go along the lines of "85 per cent of men prefer natural breasts to enhanced breasts." Yeah, 85 per cent prefer perfect natural breasts, but if you've got mucky-lookin' boobs, we prefer enhancement every time!

Floods of tears

At the moment, Down Under really is down under – Queensland's under a puddle the size of France and Belgium combined, and now Cyclone Yasi's been as well! The whole region's decimated and people have lost their homes and places of work. It's a major disaster. Sure, it's not like Haiti's earthquake 'cos people there had those sh*t houses to begin with. A lot of Aussies have really nice cars and flat-screen tellys! I hear Andy Roddick donated about £6k to flood relief – I donated just over £1k. I'm not one-sixth as rich as Andy Roddick! F**k off, he was earning that at lunch! On a serious point, you can donate to Queensland Flood Relief at www.qld.gov.au/floods/donate.html

Dodgy pyramid scheme

They've closed the Sphinx down! Yes, let's get into the most serious story of the year. I'm not going to

act like I know the ins and outs of what's happening in Egypt – all I know is the country has gone to sh*t and people are rioting. The Pyramids have shut, the Sphinx is shut, and they've gone in museums and beheaded the mummies! Why ruin their own heritage and history like that? That's like

Australians smashing up a brewery, or the English going into their museums and smashing up all those nice things they "found" in other countries throughout the world!

Anarchy in the UK

Anarchists in Britain are planning to wreck the royal wedding by posing as well-wishers in the crowd. Surely if they throw stuff at the royal carriage, it'd just enhance the public holiday – it'd make great telly! There was one person who falsely posed as a well-wisher at Charles' wedding to Diana – her name was Camilla! And there was someone at Diana's funeral who wasn't a real well-wisher, too – the Queen!

Snow joke

Dear Nuts,
Me and my mates were bored one snowy Saturday morning last month, so we decided to draw a massive penis in the snow on our local rugby field.

Farm hand

A farmer and his brand-new bride are riding home from the chapel in a wagon pulled by a team of horses, when the older horse stumbles. The farmer says, "That's once."

A little further along, the horse stumbles again. The farmer says, "That's twice."

After a little while, the poor old horse stumbles again. The farmer doesn't say anything, but calmly reaches under the seat, pulls out a shotgun and shoots the horse dead.

His brand-new bride raises merry hell, telling him, "That was an awful thing to do!"

In response, the farmer says, "That's once."

Filling up

A man's filling up his car at the local petrol station when he loses concentration and puts £20.03 in the tank.

"Dammit!" he shouts. The guy behind the counter sees what's happened and, as the man goes to pay, he says, "I see you went a bit over! Don't worry about paying the extra." So the man hands him £5 and says, "Nice one mate, cheers!"

Son of a gun

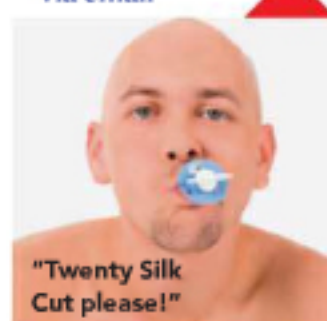

A couple have two very beautiful daughters and decide they want to try for a son as well.

After months of trying, the wife falls pregnant and they're overjoyed to hear it's a boy. Nine months go by and the husband rushes to the maternity ward just as his wife gives birth.

However, the husband is horrified by how ugly the baby is and he asks his wife, "Have you been sleeping around?"

"No, not this time," his wife replies.

THE TRUTH ABOUT SEX WITH... **HOLLY PEERS**

Nuts girls solve your bedroom bother!

Email questions to thetruth_sex@ipcmedia.com

**ONLY IN
Nuts!**

IN OUR OFFICE!

I'm fed up with arguing!

Based on the theory that make-up sex is better, my girlfriend now starts rows for no reason and it's doing my head in. She's being weird, isn't she?

Mark, Bedford

Ha-ha! That's absolutely brilliant! To be honest, I've done that myself in the past and it's always worked for me! If you don't enjoy the rows, maybe you need to make some extra effort when you're having sex at other times so that she won't feel the need to spice it up!

Nuts BABES' SEX TIPS!

No.36: "Never underestimate a massage. Just by rubbing her up and down, you can have her itching to get it on with you!" **Staci**

Oi, stop that!

My girlfriend insists on putting her finger up my bum during sex. Why's she doing that?

Keith, Surrey

She's trying to bring a bit of adventure to the relationship, which is always a good thing! Up your bum, after all, is where the male G-spot is, but it's not really spoken about in the same way that a lady's pleasure point is. If you don't like it, you'll have to let her know, Keith!

Getting minty fresh?

Is it true that going down on a lady will be better for her if you've just brushed your teeth?

Dave, Liverpool

Are you thinking about the tingly sensation from the toothpaste? You can buy creams and lubes that are created to add to the sensitive, tingly feeling. I don't think toothpaste is going to be nearly intense enough!

Floral tribute?

There's a girl I fancy who works in my local supermarket. Do you think it'd be weird if I gave her some flowers at work?

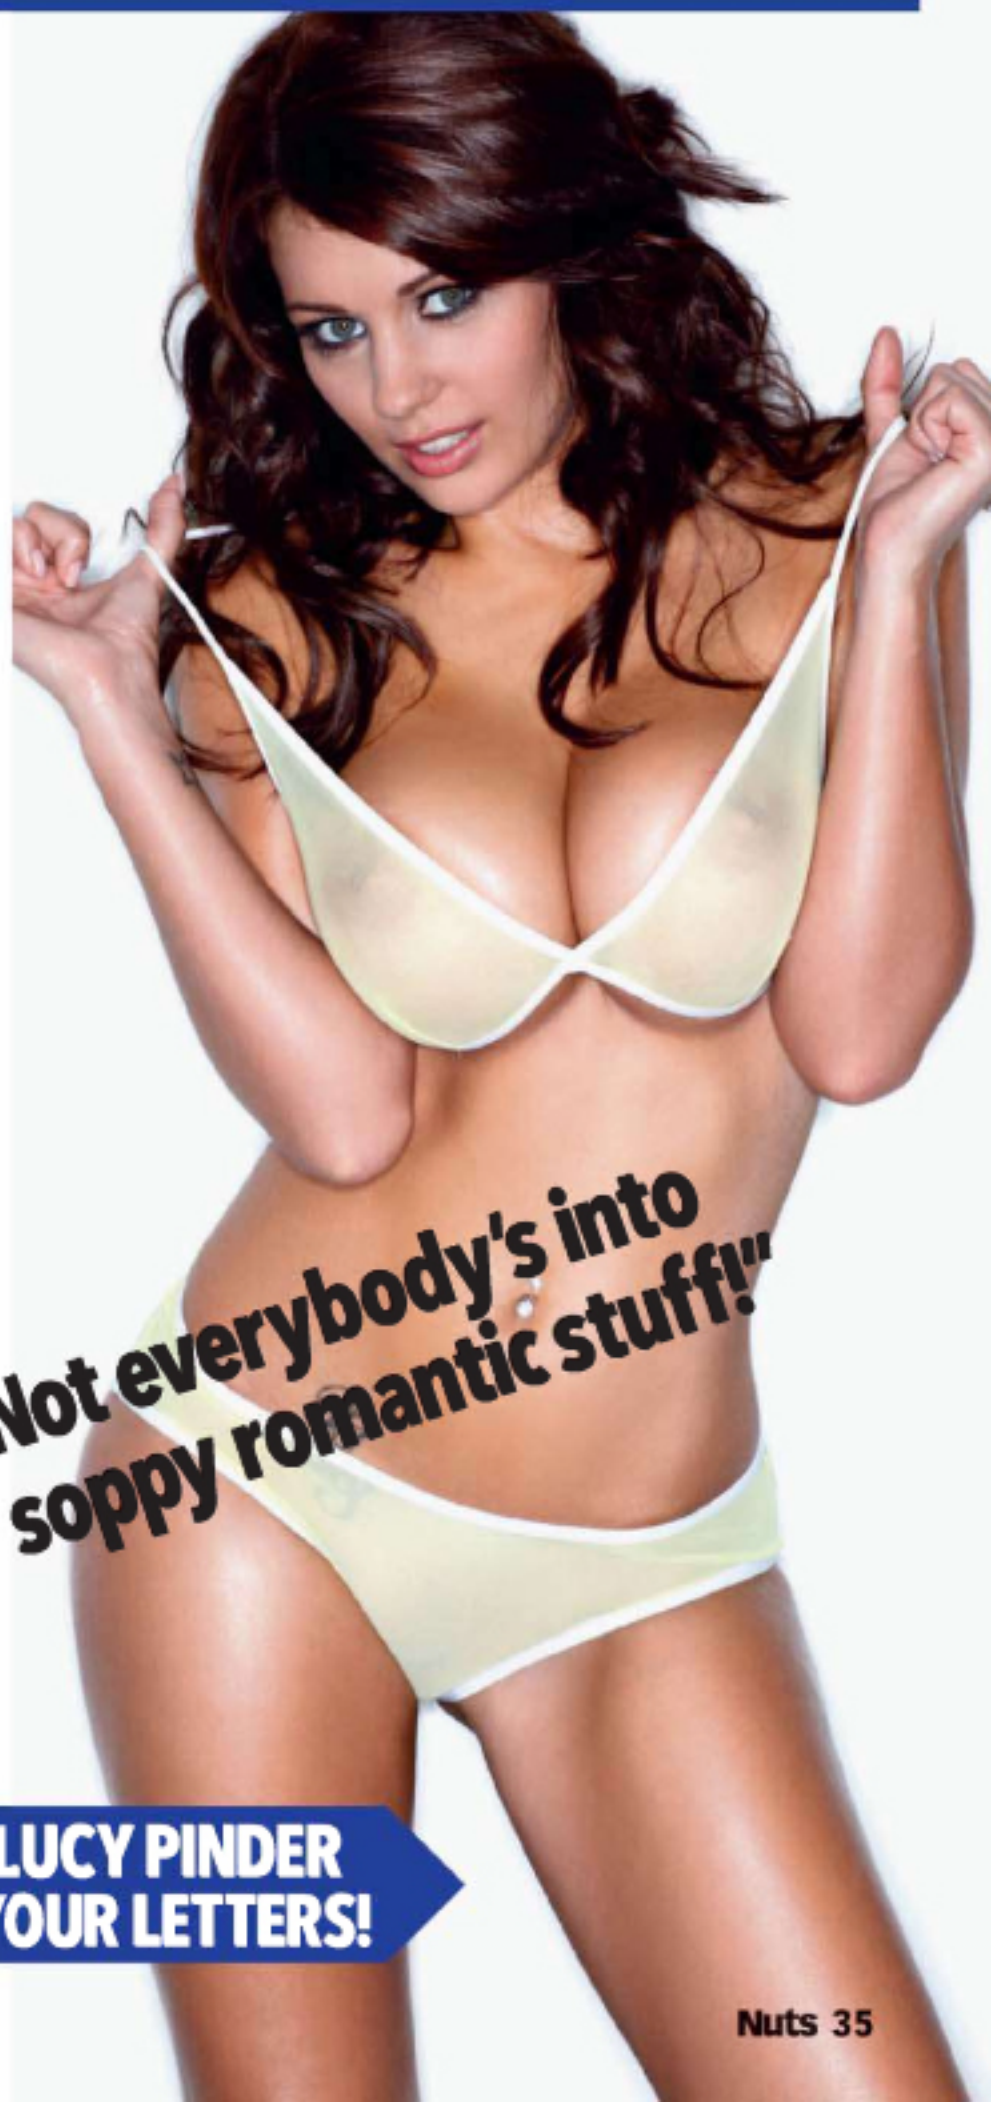

Spencer, Southampton

It'd be easier if you just asked her out or asked if she had a boyfriend before you dive straight in with the flowers. That kind of gesture is not everyone's cup of tea. Personally, I love a nice bunch of blooms but not everybody's into the soppy romantic stuff, so I'd avoid it.

NUTS INTERVIEW

The top Brit rapper on chess, playing for Arsenal and fighting a squirrel!

Hi Chipmunk! What's going on, Nuts? We're very well, thanks! Tell us about your new single, *Champion*.

This is probably my most heartfelt single. I wouldn't say it brings me back to my darker roots but a bit more of the MCing and storytelling side of things. Chris Brown's an R'n'B superstar so having him on the single is amazing! Who's the daddy of UK rappers at the moment? I don't think there's a daddy but the father who showed how everything's possible is Dizzee Rascal. The rest of us are all still learning, so it's harder for us.

Is there anyone you want to work with? There's a few. Me and Devlin are cool. We did a lot of stuff together back in the day, so I'd work with him, 100 per cent.

Tell the readers something about you that'd surprise them. I'm really good at chess! I've never played anyone famous – maybe I should challenge someone and see how good I really am! What's the most rubbish line you've written? I've written some wack lines in the past but no one's ever heard them, I can't tell you more than that. I've never put them out!

Have you ever written rhymes on the toilet? Ha-ha! I write lyrics everywhere, so I probably have written some lyrics on the toilet, yeah! Have you ever stopped making love to a lady to jot a rhyme down? No, but if I was in that situation, I'd just write it down while doing it, if you get me.

We get you! Please tell us an amusing story involving one of your British hip-hop peers that they wouldn't want the world to know. There's not too many funny stories I can think of really, although Tinchy Stryder doesn't iron his own clothes!

Who's the most famous person you have flirted with? Flirting's part of my job description! I can't even remember the last person I flirted with, it's just second nature to me. There are a few famous hotties but that's it really. Which would you rather do: give up chips or become a monk? Ha-ha! I'm not sure. I'd

rather give some chips to the Nuts readers. Will that do? Fair enough! If you had your own condoms, like JLS do, how would you make them stand out? I'd put a picture of a naked bird on the package. Those guys have got pictures of themselves on the box, so it makes it a bit awkward! That's true! Could a chipmunk win a fight with a squirrel? Ha-ha! Yeah, I'd box up a squirrel. Definitely! If you could pick a new rap

name, what would you go for? Luigi! I like that name. Chipmunk is just an old nickname I had but that mother-trucker stuck! But I don't mind it. I'm cool, man.

"Shh! You're all putting me off!"

RAP STAR!

What are you most looking forward to in 2011? Everyone hearing my second album!

We haven't got a release date yet but it'll be in a few months time. I'll probably have a few holidays, too. Why not? I'll take things as they come when I get some time off.

Now you're a bit older, are you coping with the pressure of fame better? Yeah, I don't focus on the fame, just the music. That's what I came to do, you know? I'm just having fun recording and trying to step it up a bit now.

You once played for QPR's youth team. Will QPR shake up the Premier League next season, and are you better than Adel Taarabt? Nah, I doubt it! I don't really follow them. I'm an Arsenal fan.

Is it true you're mates with Arsenal's Jack Wilshere?

I played against him a couple of times. We're not friends though. I hang good with Craig Eastmond and Henri Lansbury at Arsenal. I've got a few friends in football – Nile Ranger at Newcastle and Rio Ferdinand as well.

Who gets the most attention from the ladies? Sometimes me and Craig Eastmond go out. We don't have trouble getting girls, we're cool! Could you have made it as a footballer? I was very good. I probably could have made it but there was too much girls, partying and fatty foods!

What was the last match you went to see? I don't get to go very often but the last game I got to see was when we beat Porto in the Champions League. I think it was 5-1.

Who do you think's going to win the Premier League? It's close but I think Arsenal have a shot. We'll definitely be in the top three anyway!

Thanks, Chipmunk! Finally, what do you think of Spurs' chances? They've stepped it up this season but they're still not winning anything! ■

Champion, featuring Chris Brown, is out now through Jive Records.

How to woo the ladies - Hawaiian style!

Tips on pulling from new comedy *Just Go With It*!

Every man has his wooing technique. Some we'd recommend, like "just be yourself". Others, like "pretend you're trapped in a loveless marriage like Adam Sandler in new comedy *Just*

Go With It", we'd approach with rather more caution.

We flew no-expenses-spared to *Just Go With It*'s setting of Hawaii (well, nearly) to try some pulling techniques of our own on the lovely Lacey Banghard,

who just happened to be in "Hawaii" at the same time! If these tricks work for Nuts man, maybe they'll work for you too!

Just Go With It is at cinemas from February 11

DIY CHEST WAX!

Girls are made of sugar and spice and all things nice. Boys are made of things like puppy dogs' tails. And they're a bit hairy. Could an on-beach DIY chest wax impress the ladies?

IN THE FILM!

THE OTHER WOMAN!

Treat 'em mean, keep 'em keen? It works for Adam Sandler in *Just Go With It*. But will Lacey be impressed if she sees Nuts man strolling across the "beach" with a blonde?

IN "HAWAII"!

PICKING A FIGHT!

Girls want a man who can defend their honour. So when a Hawaiian bodybuilder (and not the Nuts Towers security man) said "Hello" to Lacey, all hell was sure to break loose!

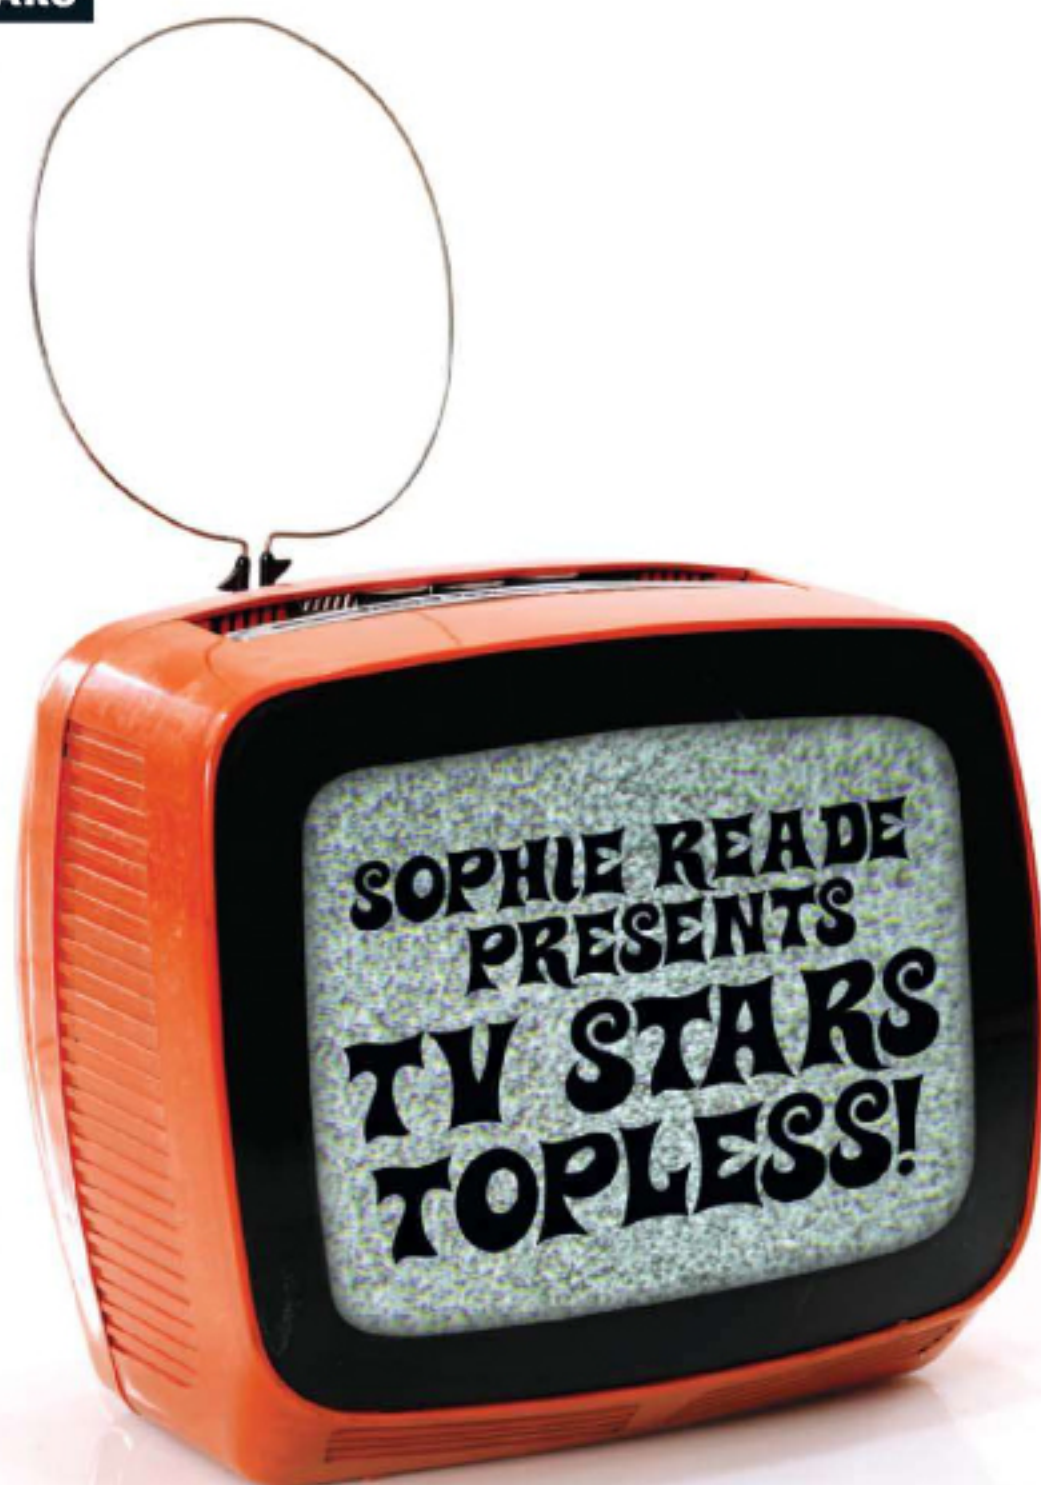

**SUCCESS
AT LAST!**

DINNER FOR TWO!

One last bid to woo Lacey with good old-fashioned roses and dinner. And it works! Thus proving all girls want is a bit of romance and not fellas trying to impress them at all!

**JUST GO WITH IT
AT CINEMAS
FEBRUARY 11**

The booby *Big Brother* beauty fronts our line-up of TV talent!

We love telly here at *Nuts*. In fact, we love it so much that if we weren't busy making buffoons of ourselves on a daily basis, we'd be at home watching *EastEnders*... er... UFC fights! The only thing that makes telly even better is beautiful women, so we decided to round up our favourite babes from the box in one handy guide and got *BB* star and all-round lovely lady Sophie Reade to present them. Enjoy!

Hi Sophie! If you could make your own TV show, what'd it be like? I'd make something like *Take Me Out*. We could have all the *Nuts* girls – most of us are single and can't find a guy! We need to get on a good TV show like *Take Me Out* and find a nice decent bloke. I could be the host and sort out dates for my ladies! Great idea! What's the rudest thing you've seen on telly? I like Babestation! There are always girls on there in their undies ➔

and if you go up the channels, it gets even more X-rated!
Are you still a *CSI* addict? Yeah, I'm a massive fan. I've started getting into *Misfits* as well. It's really good. *CSI*'s my favourite though. I'm obsessed. I've got the game, too – I solve crimes!
Who do you think's the sexiest lady on TV at the moment? Jennifer Metcalfe, definitely!

If you're getting down to business, do you have the telly on in the background? I don't mind! If we were watching telly, I'd leave it on and jump on him!
We've not seen you in a while. What have you been up to? I went out in Manchester and split up with my boyfriend [Man City star Mario Balotelli] over New Year. He slept with my best friend. He's a d*ck. Anyway, he said he's going back to Italy. I need to find myself a nice man!
We're sure there are plenty out there. Have you got a dark side or are you always nice? I can get angry! People think I'm always really nice. It's great because I can be really sneaky and get away with loads. Ha-ha!
Is there anywhere you haven't been rude that you'd like to? I want to do it in a pool. A swimming pool or a Jacuzzi with bubbles. My boobs would be really nice in the water!
Speaking of your boobs, is it true you're having them made even bigger? I'm going a bit bigger with them, yeah. I can't

**"PEOPLE THINK
I'M ALWAYS NICE,
SO I GET AWAY
WITH LOADS!"**

TOPLESS TV STARS

wait to see them when they're big and firm afterwards!
What other things have you got lined up this year? I'm going to the *Playboy* Mansion as well this year. I wanted to go there in October but I couldn't because I had work, so I'm going now! Wanna come with me?
Yes! Or you can just bring us something back. I'll try to steal you one of Hugh Hefner's robes!

Thanks, Sophie! Finally, you're not going to leave us and live in the *Playboy* Mansion, are you? I don't know yet!
There's no *Nuts* in America, you know? And we're no good at goodbyes. I know, exactly. But I'd fly you out and you could take pictures of me naked in the mansion if you wanted! So it wouldn't be goodbye – you'd still get to see plenty of me! ■

TOPLESS TV STARS

KERRY KATONA

Dancing On Ice, ITV1 We normally steer well clear of Kerry's shows, but seeing this pic, we might have to change our minds!

Shameless, Channel 4 *Shameless* is one of our favourite shows on telly right now, and here are two of the main reasons!

ANNA FRIEL

The Street, BBC1 Anna recently appeared in *Come Fly With Me*, but sadly she wasn't topless. What a waste of space on Sky+!

ALANNA UBACH

Hung, More 4 The lovely Alanna had a role in *Meet The Fockers*. Even so, we're willing to forgive her because she's hot!

£22.8M

LUIS SUAREZ TO LIVERPOOL – £22.8M

"Even though Suarez has arrived from Holland – a league I reckon I could still score in – I like him. He likes to drop into the hole and play clever passes but he also scores a few. I'd still question Liverpool's system, though. If Suarez is deep and looking for his strike partner to run, who's he got? Andy Carroll! He's not quite Jermain Defoe!"

MERSE RATING ★★★

Liverpool will finish 6th

£21M

DAVID LUIZ TO CHELSEA – £21M

"In all honesty, I hadn't heard that much about him before January. By all accounts, he seems to have been considered the best player in Portugal and he comes into a defence that certainly isn't as tight as it once was. He should be a good young foil for John Terry in the middle. So, he's a good footballer – shame about the hair!"

MERSE RATING ★★★

Chelsea will finish 3rd

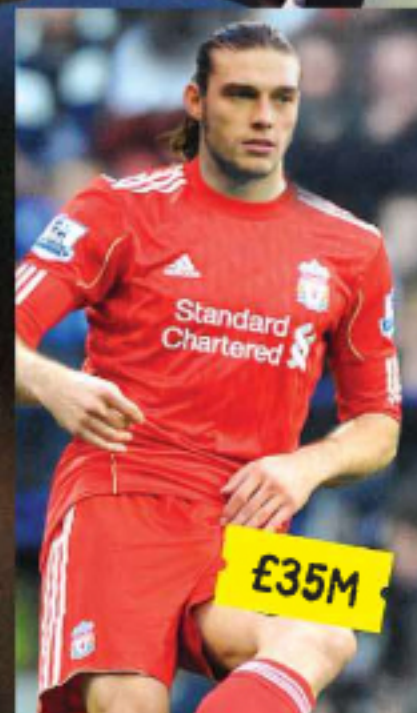

£3M

STEVEN PIENAAR TO SPURS – £3M

"I was surprised Spurs went in for Pienaar. He's a decent footballer who did a great job at Everton but is he any better than Bale or Lennon? Not in my opinion. That said, Harry Redknapp's a legend in the transfer market and knows the game a hell of a lot better than me! And these days, £3m is the equivalent of a free transfer, isn't it?"

MERSE RATING ★★★

Spurs will finish 5th

£35M

ANDY CARROLL TO LIVERPOOL – £35M

"Here's a boy with a lot of talent who's scored goals against the top teams. He's also an obvious threat in the air – a nightmare to play against. But Liverpool don't play any wingers! How's Carroll expected to get on the end of crosses if there aren't any? I can't see him having an instant impact without the right players around him."

**ROBBIE KEANE TO
WEST HAM – LOAN**

"Keane's got class and above anything else, he'll get on the ball and show the kind of confidence this West Ham team miss. I can see him dovetailing nicely with Carlton Cole, too. But the problem for me is no matter how well the strikers play, the defence is of a ten year-old's standard. It's still a sinking ship, even with Robbie Keane on board."

MERSE RATING ★★★★★

West Ham will finish 19th

£24M

**DARREN BENT TO
ASTON VILLA – £24M**

"There was a lot of noise about Bent's transfer fee but I couldn't understand the controversy. This lad scores goals. He might only touch the ball once but that ball usually ends up in the back of the net! Villa were in trouble and couldn't score for toffee. Now they have a striker who can keep them up – and that's worth more than £24million!"

MERSE RATING ★★★★★

Aston Villa will finish 14th

£27M

**EDIN DZEKO
TO MAN CITY – £27M**

"A talented guy who has great feet and also gives City a decent target man, but Mancini likes to play on the counter-attack so I can't see how Dzeko fits into that system. He's not exactly quick, is he? These days, being a striker in the Premier League is more about pace – and lots of it – and I'm afraid this lad isn't blessed with much of it!"

MERSE RATING ★★★

Man City will finish 4th

**FERNANDO TORRES
TO CHELSEA – £50M**

"It's a lot of dough but it's money well spent as far as I'm concerned. Even if he's had a horrible season, I'd still put Torres in my top three strikers in the world. I think it's too late for him to help Chelsea win the title but Torres is good enough to make the difference in Europe. A front three of Drogba, Torres and Anelka is a frightening thought!"

MERSE RATING ★★★★★

Chelsea will finish 3rd

**Merse's
verdict**

"What an amazing transfer deadline day it was! Liverpool spent big, although I'm not sure they've got the right mix yet, and Chelsea made the headline-making signing. But despite all this activity, I still think Man United will win the title, with Arsenal finishing up in second."

Nuts!

He's the voice of the fans – and he's only in *Nuts*!

What an incredible day of transfer action!

I couldn't believe what went on during the final day of the transfer window. I was as amazed as anyone else when the news broke of Fernando Torres moving to Chelsea, followed by Liverpool moving for Newcastle's Andy Carroll in a record transfer for an English player. But, once I'd calmed down a bit, I realised

"Carroll will be a massive success at Anfield!"

what good deals they were for all three clubs involved.

In Torres, Chelsea have one of the world's finest strikers, who I think will show the kind of form for the Blues that earned him legendary status at Liverpool.

He hasn't been happy since the end of last season, and the only puzzling thing is why Liverpool didn't sell him in the summer when then boss Roy Hodgson could have reinvested the money in some top-class talent. If he'd had that chance, I think he might still have been Liverpool manager now.

Fifty million pounds is obviously a huge amount of money, but with players around him like Drogba and Lampard, I can see the Spaniard being a hit at Stamford Bridge.

As for the Andy Carroll move, I think Kenny Dalglish had to act after losing Torres, and let's not forget that not only did he bring the big Geordie in, he also snapped up Ajax's Luis Suarez – another signing with huge potential. Carroll and Suarez will both be hungry for success after signing for a big club like Liverpool, and while

Carroll's fee is without doubt inflated, I believe he's going to be a massive success at Anfield.

Add in the sale of Ryan Babel, and it means Liverpool got hold of the pair for just £1.8million, which I think is a bargain when you look at it that way!

Newcastle didn't replace Carroll before the deadline, but I think that's because the owners know they're likely to stay up this year, and can work on the squad in the summer.

It was a historic day for the Premier League, and just makes the run-in even more exciting!

**Charlie staying
is a big boost!**

People usually say that once a player decides he wants to leave a club it means he'll definitely be on his way. But that rule didn't apply with Charlie Adam's move away from Blackpool. The directors made sure the transfer couldn't go through in time, but the midfielder will still be going to a big club in the summer after trying to help Blackpool continue their good season. It's the best result for all concerned.

Man United vs Man

Star strikers chat to *Nuts* ahead of the massive derby clash!

Berbatov: "We don't know how to lose!"

Hi Dimitar! Blimey, you've gone from being a striker under pressure to a terrace hero – what's changed? Confidence is important to any footballer, and I'm no different. As I've played well, I've become more confident and this has helped me play better. But there's been no specific change. I'm working as hard as I ever have. Did it hurt you to hear people criticise your perceived lack of effort or passion? I try not to listen to the bad things because there's a danger this will hurt you even more. No one likes hearing they're no good or don't try for the team. I can't deny that my first period here wasn't successful – I just didn't play well enough, but it wasn't through lack of effort. Maybe it's my style that makes people say such

things. And look at my style now – it's just the same and suddenly I've become a better player! There must be reasons why you started so badly? Perhaps I lost concentration because I joined United for a big fee. There was some pressure, yes. I learned it was important to focus on my football above anything else. Was there ever any danger of you leaving Old Trafford? None. I love it here. Man United is the biggest club in the world. Sir Alex stuck by you and now he's telling everyone you're one of the best strikers in the world! I'm glad he thinks I'm doing well and that I can repay the faith he showed in me. He's a legend of the game, of course, and he knows exactly how to get the best out of footballers. Is he scary? Yes! But only when he needs to be!

Are you now the leader of United's attack? We have so many good strikers here, it's a group effort. Owen with his experience, Chicharito lives for scoring goals and Rooney is one of the best in the world. Together, as a unit, we work hard to win games for United. There are no individual heroes here – only the team. In what's been a crazy season, what have United got that the other title contenders haven't? We're not so arrogant to claim big things against other teams. But what we know about United is simple. Our confidence is high and we believe we can always win games, even if we don't perform well. And if the opposition score, we believe we can always score more. That's why we have so many late goals – we don't know how to lose!

Blind Date had gone badly downhill

"Oi, Carlos – can I have a snood as well, please?"

Dzeko: "City are on a mission!"

Hi Edin! How have you enjoyed your first few weeks at Man City?

I must thank the club and supporters for their welcome – it's been incredible. When I first came here, I asked everyone to let me settle before judging me, and everyone has done that. It was always going to take a few games to adjust to a new club, but so far, so good! I'm also lucky because I speak English so there are no problems communicating with my team-mates.

What's the hardest thing about playing in the Premier League compared to the Bundesliga?

The Bundesliga is tough, but this is at another level! The football is quick, physical, intense and demanding, but I enjoy challenging myself to do better. I could have stayed at Wolfsburg, but I wanted to try something new and better.

What attracted you to Man City ahead of other clubs? The ambition. I want to achieve great things in my career and I'm convinced Manchester City can help me do this. Everyone here is focused and driven towards one goal – establishing City as a major force in Europe. I think the future will be incredible!

You cost a whopping £27m. Any pressure because of that price tag? None at all. I know what's expected of me and I'm happy to rise to the challenge. I feel only happiness to be here, not fear.

Can Man City win the title this season? We have to believe.

I wouldn't have come here if there wasn't this mentality. We're on a mission to make City something amazing for a long time, and this will need success over a big period, but there's no reason we can't start our mission this season. We have the players, the strength in depth and an intelligent coach, so why not? The title race is still open and we're one of a few clubs who can still win the league.

Thanks, Edin! Finally, You've earned a bit of a reputation for being a handful in the dressing room! Can we expect any fireworks from you this season?

I think people mistake my determination and desire to win for something negative. As long as I play well and help my team achieve their goals, there will be no problem. Man City have an opportunity to be a European force. I make no apologies for saying I will give everything I have to make this happen.

City special!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

STORIES!**

TO OUR SECRETARY!

IT'S LOU!

'I dragged him onto the bus'

My boyfriend and I went for a walk through our village late one night and started chatting about the great sex we'd had the night before. Within no time, I was getting really horny again, so when we reached our local bus depot, I grabbed his hand and slid between a pair of double deckers under the cover of darkness. I wrapped my legs around him and lifted up my skirt so he could slip inside me, but as we leaned against the door, it flew open. The doors hadn't been locked on the double decker! Without giving it another moment's thought, we raced upstairs and made for the back seat, where I wildly pushed him onto the cushions and pulled my knickers off so we could grind away with abandon. It was amazing but just as we were about to explode, loads of lights came on. We scrambled to race out without being caught and only just escaped. My boyfriend still had an erection from all the excitement, too!

Lucy, North Yorkshire

was red and smiling while cars zoomed by and he groaned loudly in pleasure. After I'd worked my magic, I sat up and put my seatbelt back on. We then raced off to the high street and he didn't complain about being in the shops once that afternoon!

Jennifer, Derbyshire

'I dressed as a kinky maid'

My boyfriend works in the evenings and I am often left at home feeling horny. So one night, I decided to pay him a quick visit. As soon as I saw him, I started rubbing his manhood, then pushed him into a dark room, unzipped his trousers and took him in my mouth, slowly licking his shaft. I didn't want him to come, so I left while he was still excited and returned to our flat. I knew his shift ended in ten minutes, so I raced upstairs and dressed up as a kinky French maid in leather. When he walked through the front door, his jaw practically hit the floor. He kissed and fondled me until I was gagging for it and forced him to pick me up, so I could wrap my legs around him and slowly grind myself on his thigh. Moments later, he had me bent over the desk and started pounding away. He then laid on his back and I climbed aboard and rode him hard and fast, while he reached up and gave my nipples a lovely rub. It was the best sex I've ever had!

Mascara, Greenwich

CONFESSION OF THE WEEK!

'She came round with a whip'

A few weeks ago, I was out clubbing when I got dancing with a hot brunette. I'd never done anything with another girl but when she moved in to kiss me, I didn't resist. It was amazing! Her lips were soft and tender, and I loved the feel of her hands running through my hair as she whispered softly in my ear and gently licked and kissed my neck. I ran my hands all over her in the middle of the dancefloor. Everyone stared but I didn't care. Before she left, she slipped me her number and the next day, I called and invited her over. She showed up in a police uniform with a whip! What happened next is a little too X-rated even for Nuts – all I'll say is that she's given me a taste for women now!

Anon, by email

'His new car turned me on'

My partner and I were going to the shops in his gorgeous new car, when the smell of new leather made me start to feel really turned on. I started

teasing him by rubbing his inner thigh and there was a big bulge in his trousers in no time. He said he'd crash if I didn't stop, so I ordered him to pull into a lay-by, where I quickly unzipped his jeans and put my wet, warm mouth around his shaft. His face

Nuts REVIEWS

GAMES!

TDU2 features more than 2,000 miles of Ibiza asphalt

TEST DRIVE UNLIMITED 2

PC, PS3, XBOX 360

The always-online racing game moves from Hawaii to Ibiza (then back to Hawaii later) with more role-playing elements as you populate garages

with lashings of supercars, then buy the apartment, the clothes and the plastic surgery for the dream playboy lifestyle. But it's mostly about the racing, which is as solid, fun and intense as always. ★★★★★

DR KAWASHIMA'S BODY & BRAIN EXERCISES

XBOX 360

The popular brain workout hits Xbox's Kinect, so now adds fitness to the goody-two-shoes mix. Getting your virtual age down is fun, but this is maybe more of a title for our lady friends. ★★★

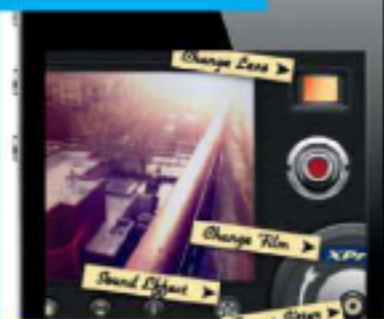

CALL OF DUTY: BLACK OPS - FIRST STRIKE PACK

XBOX 360

The first splodge of downloadable content plops onto Xbox Live. It's four new maps and one new zombie-killing arena. The maps are great – we love new COD challenges – but 1,200 Microsoft points is way expensive. ★★★

APPS!

8MM VINTAGE CAMERA

IPHONE, IPOD TOUCH

Lets you shoot movies in a jaw-droppingly realistic, old-fashioned style

to amaze your pals. ★★★★★

UK TRAIN TIMES

IPHONE, IPOD TOUCH, IPAD

Live departures and arrivals, and – crucially – a "next train home" button

to help your trip home. ★★★★★

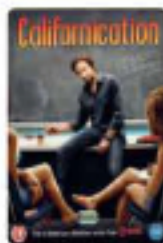

DVDS/BLU-RAY!

David Duchovny won a Golden Globe in 2007 for his lead role

CALIFORNICATION: SEASONS 1-3

CERT 18 DVD

Eye-candy alert! It's a whopping eight discs featuring the first three seasons of the cracking comedy drama about the hedonistic life of a

troubled writer (David Duchovny) who spends about 90 per cent of his time bedding hot women! With loads of extras including in-depth interviews with the cast, this is a must-have for serious fans of both the show and, of course, all the gorgeous girls! ★★★★★

THE OFFICE: AN AMERICAN WORKPLACE - SEASON 5

CERT 12 DVD

It may not scale the heights of the British classic, but the US version starring Steve Carrell still runs it pretty close. ★★★★★

CSI LAS VEGAS: COMPLETE SEASON 10

CERT 15 DVD

All 23 episodes of the latest series of the original and best of the CSI franchise, this is the series with Laurence Fishburne as Level 1 investigator Ray Langston. ★★★★★

THE RUNAWAYS

CERT 15 DVD

Kristen Stewart and Dakota Fanning star in a decent sex, drugs & rock'n'roll biopic about the '70s all-girl rock band called – you guessed it! – The Runaways. ★★★

MUSIC!

THE STREETS

COMPUTERS & BLUES

It's with a heavy heart that we give top marks to another brilliant The Streets release, as it'll almost certainly be the last album. Even so, an ace way to bow out! ★★★★★

VARIOUS ARTISTS

THE DILEMMA OST

We're not sure about the film, but the soundtrack packs in The Fratellis, Black Keys, Band Of Skulls, Wolfmother and The Hold Steady. Top stuff! ★★★

All the latest action-packed releases **Ratings:** ★★★★★ Genius ★★★★★ Very good ★★★ Investigate ★★ Alright ★ Rubbish

MOVIES!

Hailee Steinfeld wasn't allowed to appear in any scenes filmed after midnight

TRUE GRIT CERT 15

The Coen Brothers made the awesomely violent *No Country For Old Men* and they're back with a rootin', tootin' reboot of the old John Wayne Western. Jeff Bridges (*Tron Legacy*) plays cantankerous eye-patched Wild

West Marshall Rooster Cogburn, who's employed by a feisty young girl (Hailee Steinfeld) to hunt down her father's killer. Josh Brolin is the bad guy and Matt Damon saddles up to help the hunt. Ride 'em out! ★★★★★

SANCTUM 3D CERT 15

James Cameron presents a jaw-dropping flick about a bunch of lunatic cave divers facing death in the darkest depths. ★★★★★

MY KIDNAPPER CERT 15

Ace true-life docu as a Brit bloke returns to Colombia to meet the man who held him captive for three months in 2003. ★★★★★
